## FEB 2020 MEETING FOR BUSINESS MINUTES

### Corvallis Friends Meeting for Business

Feb 9, 2020

**Acting Clerk:** Nina Joy Lawrence

**Acting Recording Clerk:** Sid Rosen

**Present:** Bob Burton, Jay Thatcher, Judy Hays-Eberts, Wendy Robinson, Donna Gerry, Mary Jane Gray, Abigail Stoughton, Nancy Ewald, Ruth McNeil, John Selker

The Meeting began in silence, considering the Query, "How do we come to know an inward stillness amid the activities of daily life?" Queries on Prayer, NPYM Faith and Practice 2017

Previous month's Minutes were approved.

**Treasurer's Report** presented by Wendy:

Correction: Brokerage account balance is currently around \$30,000, not \$18,108. The Meeting accepted the Report.

**Annual Budget:** A few minor corrections need to be made to specific figures and wording. The corrected budget will be filed in the Treasurer's Record and the Meeting Budget Records. The Meeting approved the budget pending those changes.

**Report on Assets** by Jay and Wendy: Our assets should be around \$18,000 plus around \$2,000 for operating costs instead of the \$40,000 we currently have. They propose increasing our donations to the organizations to which we are already contributing, and/or to other organizations we want to support, to leave \$24,000 in assets. They would work with ARE to find times in the meeting schedule to have threshing sessions to explore where these increased donations would go. Wendy and Jay propose investing the remaining assets with the *Growth and Income Fund* at Friends Fiduciary. The Meeting suggested one of the alternates, the *Green Fund*, and the clerk noted that orally. The Meeting approved this plan and thanked Wendy and Jay for their work on this.

**House and Hospitality:** Abigail reported that Good Earth has done one treatment, and the next is scheduled for 2-10-2020. In their experience, it usually takes three treatments to take care of an ant problem like ours. Judy proposed that the Meeting find out more about these ants, ie. their place in the ecosystem.

**Spiritual Care Committee:** John S. reported that the SCC is caring for one member with cancer and another who has had a recent surgery. They suggest putting a white board on the inside of the closet door to replace the butcher paper easel we are currently using for announcements and other information. The Meeting approved trying this idea.

**State of the Society Report:** A draft of this year's report was passed out and silently read. We are to take it home to read and consider and discuss at next month's Meeting for Business.

**Pre-Nominating Committee Report:** Donna was asked and has agreed to serve on the Nominating Committee. Her three-year term will end 12-31-2022. The Meeting approved.

The Meeting ended with a moment of silence.

## WQM Men's Retreat

Get off the grid for a weekend at Big Bear Camp near Walton, OR. You'll be in the company of worshipful, joyful local Quaker men living in a tumultuous secular society. We will talk over questions of faith, of living in the wider world while witnessing to our faith. We will take time to get to know one another and eat, work and play together a beautiful wooded property.

The Willamette Quarterly Meeting Men's Retreat starts on Friday 3/13 with a light evening meal and lasts through lunch on Sunday the 15th.

Suggested contribution is \$100 for the entire weekend. Adjust that amount for your personal money situation. Quakers and fellow travelers who identify as male are all welcome. To register, send an email Bob Marvos: [rmmarvos@gmail.com](mailto:rmmarvos@gmail.com)

For more info, ask Jay Thatcher, Jon Stoll or Mark Boyd and look in the Wednesday Digest.

## Advices on Discernment

Seeking and waiting for Truth's leadings is a discipline through which all can grow in patience, unity, and love. Decisions under the guidance of the Spirit knit the loving community together.

We remain patient and wait upon God as long as needed for a decision to emerge which clearly recommends itself as the right one.

We guard against contentiousness, obstinacy, and love of control and power. We remember that our views, however fondly cherished, may be wrong.

We season our decisions and test our leadings with patience and integrity. We take care to stay within our leadings, lest we outrun our Guide.

Friends approach meeting for business, committee meetings, and other occasions for group discernment with trust that the Holy Spirit will lead us to unity and right action. Unity is always possible because the same Light of Truth shines in some measure in every human heart. Communal discernment takes place in a context

of worship as those present seek divine guidance.

Friends expect unity as the outcome, not as the starting point, of communal discernment. We proceed in the peaceable spirit of the light of Truth, with forbearance and warm affection for one another. Light will be shed on matters from many angles. We trust that as Truth is spoken, its power cannot be resisted.

We express our views but refrain from pressing them unduly. It is less important for any individual to be heard than it is for Truth to be given voice.

Group discernment and the search for unity may require us to accept with good grace a decision of the meeting we do not entirely agree with.

Contributing to the meeting's discernment is a responsibility of membership. This includes attending meetings for business and being faithful in the service of the meeting's affairs.
